# Marilyn Horne MASTER CLASS

"Through the foundation bearing her name, Marilyn Horne has single handedly preserved the art of the vocal recital by presenting emerging singers in performances and educational programs around the country...

.....and, with teacher and pupil both throwing themselves into it, a wispy, ill-defined rendition of a familiar song suddenly took on life."

--Anthony Tommasini, the New York Times

**Don't miss this rare opportunity to see Marilyn Horne, whom Opera News has called "probably the greatest opera singer in the world" as she works with bright young talent on the threshold of their singing careers. Order seats now. Online: [tickets@sjc.edu](mailto:tickets@sjc.edu) or call 860-231-5555**
